SPONSORSHIP OPPORTUNITIES

Give hope, change lives, and build stronger connections for Marylanders through the sponsorship of our special education, sign language, speech therapy, and hearing health services.

About Us

We are your gateway to
understanding & being understood

Gateway has been Maryland's leading source for language and communication for a century.

Gateway is a growing force for connection, equity, and impact. We expand access, advance inclusion, and amplify the power of communication for all. In 2024 alone, we served more than 8,200 individuals and businesses across Maryland, DC, and seven states and provided over 30,000 hours of ASL interpreting in hospitals, schools, workplaces, and community events. Our clinic remains a vital resource for families, with more than two-thirds of clients receiving care through Medical Assistance. Through partnerships with individuals, businesses, and nonprofits, Gateway continues its mission to be a best-in-class community partner.

Community Event Sponsorships

Gateway's mission is to give hope, change lives, and build connections for Marylanders through special education, therapy, audiology, and sign language programs. We also host exclusive events that connect corporate leaders, business owners, and community influencers to foster meaningful relationships. We encourage you to join us in building deep relationships with some of the region's most influential people.

#Speakeasy Executive Mixer Series - \$1500

Four times a year, Gateway Maryland hosts an intimate group of local decision makers to various speakeasy's around the Baltimore region. These events have become a cult classic due to the quality of people that attend, venues we choose and the great connections we make. Sponsorships are exclusive to one company per event.
