Our Goal

HELP US RAISE

\$100,000

FOR OUR 100th ANNIVERSARY

WHY?

Gateway is looking to raise \$100,000 to provide students with the resources and opportunities they deserve through a new playground, a reliable van, and expanded scholarship support. The current playground is outdated and limits safe, inclusive play for children of all abilities. A new playground would foster creativity, social connection, and physical development. A new van would ensure every student can access educational trips and community programs without transportation barriers. Finally, scholarships would open doors for families who need financial assistance, ensuring that every child has the opportunity to learn, grow, and thrive.

Together, these investments will strengthen our school community and create a brighter, more equitable future for all students.
