Our Goal

HELP US RAISE
\$60,000

WHY?

Gateway Maryland is raising \$60,000 to expand access to life-changing hearing healthcare throughout our community. Your support will help provide comprehensive hearing evaluations, rehabilitation services, community outreach, and hearing aid financial assistance for individuals who might otherwise go without the care they need.

Too many people face barriers to hearing healthcare due to cost, transportation, or limited access to services. By supporting Gateway's Speakeasy 2027, you help ensure that more people can communicate with loved ones, succeed in school and work, remain independent, and fully engage in the world around them.

Your sponsorship will help break down barriers and create a future where everyone has the opportunity to understand and be understood.
